

April/May 2012

Dear Supporters,

In May, 4 people from the village of El Vino accepted Christ through the showing of the film *The Burning Hell*.

Services have been going very well since we moved to our new auditorium.

Graduation for our Christian School was on May 30, and it was done in the dark as the electricity failed.

The next day, May 31, we left for the States so that we could be at the Prayer Baptist Missions School by June 4. The Missions School was a blessing and a time of relaxing for our family.

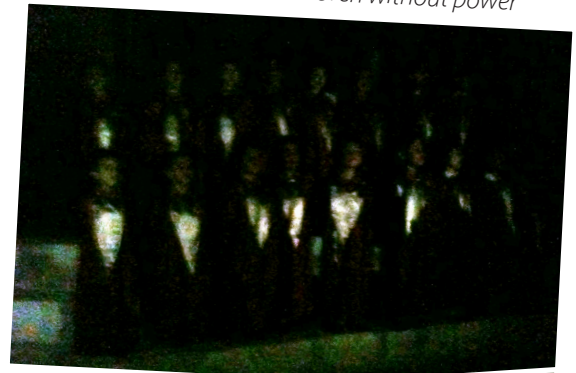

Things in Honduras were not left in the condition that we had hoped to leave them in, but we had to fly on the date that we had planned. Please pray for our buses as one of them has a bad transmission and another doesn't run at all. It is extremely difficult to maintain equipment while living outside the capital city. Pray also that we will be able to raise funds for the construction of our 1st dormitory for the Seminary. We will need about \$20,000 and we currently have \$5000. We are really excited about the next 15 years in Honduras. Thanks to all who pray for and support the Hodges family in Honduras.

For the Cause,  
 Samuel, Julie,  
 Joseph, Celina and Brooklyn Hodges

*Please pray for our buses*

*Graduation went well even without power*

*Furlough fun! We went to Mayberry!*

*Enjoying time with faithful supporters*
