

September 2013

Dear Supporting Churches,

Our hearts were overwhelmed by the many people who wrote and encouraged us with your prayers for Joseph. We were able to have the piece of metal removed from his eye and he is now in recovery. We still will not know for a while how much of his eyesight will return. It has to heal first so we would appreciate your continued prayers.

The New Life Baptist Church continues to march forward. The Seminary has started back up with 8 students this year. The Christian School has started again with 120 students. We celebrated Kids Day September 8th with over 300. It's

Joseph and Samuel on their way home

always a big day. In October, we will be having a wedding for two of the singles in our church as well as hosting a Ladies Conference with 40-year veteran missionary Margret Stringer.

Children's church on Children's Day

We are continuing the construction of our first cabin for the Seminary. We are behind on the construction because of me having to return to the States. Now we are in the dead of rainy season and it's more difficult to work. Please pray with us, as we desperately need to finish the cabin in time for the Ladies Conference.

We thank you all for your support and prayers. Through our trials we were able to see how many friends and Christian brothers and sisters we have around the world. It was a blessing to hear from you all. God bless and thank you.

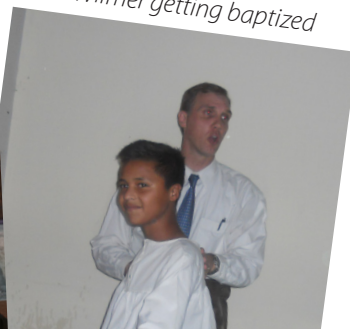

For the Cause,

Samuel, Julie, Joseph, Celina and Brooklyn Hodges

Luis got saved

Wilmer getting baptized

Praises

Luis – came to know the Lord as his savior. He is a product of our Christian School. His younger brother is in 3rd grade. About seven months ago, his mother and grandma came to know the Lord also.

Wilmer – a product of our bus ministry. His sister was the first one who came to know the Lord.
