

Dear Supporters,

2014 ended with many blessings for the work of the Lord in Honduras. The Campus Church from Pensacola Christian College chose us as one of the missionaries for their Christmas project in 2014, and this has allowed us to start 2015 with the ability to move forward in the construction of our Bible college campus. Classes are back in session and we have two new students this semester. Two young men completed their course of study last semester and will be walking in June with another graduate.

The New Life Baptist Church is growing and we have many visitors. We need another bus for one of our bus routes, but we are still searching to find the right bus. As the church grows, we also have church discipline issues. Please pray that I will

have wisdom and courage to deal with all that comes along with sternness and love.

Construction of new Seminary Building

In November of 2014, I took the pastorate of another church, the Peace of God Baptist Church. The church is over 30 years old, but we are in the process of rebuilding many aspects of it. My family goes once a month to do services. The other three Sundays each month we send a team from our church to do the preaching, teaching, visiting, music etc. It is a real challenge to pastor both churches, but we have very good help.

In closing, we want to thank you all for your love and support. Please continue to pray for the Hodges family and the New Life and Peace of God Baptist Churches in 2015. God Bless.

For the Cause,
*Samuel, Julie,
 Joseph, Celina and Brooklyn Hodges*
