Dear Supporting Churches,

November 2016

October was a very busy month with all the preparations for the Fires of Evangelism Conference. We were able to purchase 15 bunk beds for the new dormitory as well as 30 new mattresses. Additional sensor lights were installed, trash cans were purchased, and much needed painting was done. We also were able to purchase a new lawn mower and weed eater for much needed lawn care. Spend! Spend! Spend! I hate those words. Anyone who knows me, knows that I'm a money hoarder who does not like to spend. We are grateful that God richly provides for the ministry here above what we even ask for.

Over 50 people stayed for four nights on our property during the conference. It was such a great success. Our church, along with the other churches and pastors, was greatly enriched and encouraged by the preaching and teaching. There were over 400 in attendance the third night. We saw four professions of faith and four that committed to full time service.

Our newest bus is on the verge of being repaired and our 21 passenger bus is sitting in a hopeless shape right now. We have the money to repair it but are not sure if it's worth it considering we have already sunk so much into it. Pray for wisdom. We think we may have finally found a good mechanic after being here for 18 years! We are grateful for your prayers and support. God is doing a work in many lives here in Honduras. Thank you for your part in this work.
