Dear Pastors & Supporters,

August 2017

While writing this letter, we are in the States bringing our oldest daughter, Celina, to college! She will be attending Pensacola Christian College and majoring in Elementary Education. She feels the call of God to also be a missionary. Our oldest, Joseph, just finished an internship and will be returning for his junior year at PCC. He is also preparing to serve God as a missionary. We appreciate your prayers for our three children. While here in the States, our Christian School started back up in Honduras! Prior to leaving for the States, we were busy finishing several tasks and preparing for the new school year. Our time here in America has been a much needed rest! When we get back, our Bible college will start classes for the new semester. I will have a much greater roll to play this year as Bro. James LeJeune is in the States raising support.

Unfortunately, this year is the most understaffed we have been in a long time, so Julie will start teaching again this year. Please pray for more American and Honduran teachers alike.

In July we celebrated the 19th anniversary of New Life Baptist Church! Your prayers and financial help have made it possible for us to continue to serve and train nationals who will be able to reach others. We will be celebrating our 20th church anniversary the 25th-31st of May 2018. We would love to invite all of our friends & supporters to join us. If you are interested, please contact us!

For the Cause,

Sam, Julie, Joseph, Celina & Brooklyn
