

January, 2018

Dear pastors & supporters,

We were able to have our teen camp again this past December. There were 103 at the camp and many left encouraged and uplifted.

The Christian School gained 9 students after the New Year. Two graduated from New Life Baptist Seminary and one new student entered this semester. Church attendance has been very good in the New Year and we are very grateful for God's work in our church.

Since November, we have had construction projects underway. An entrance in front of the church was completed and a church dinning facility is now being built. A large porch outside the dinning hall, with 2 large rooms underneath is also under construction. They will be used for classrooms/ dormitories.

Praise God for His goodness and protection and thank you for all who pray and give.

You are cordially invited to attend the 20th Anniversary of New Life Baptist Church in Honduras from the [25th May to the 1st of June 2018](#). We would love for you to be a part of 20th anniversary service.

Thank you for your prayers and support.

The Pastors attending will be speaking to our Bible College Students as well as speaking in chapel or a Church service.

If it is possible to attend, please let us know and we will make plans for your accommodations.

For the cause,
