

May, 2018

This is an EXCITING YEAR for us.

20 years ago, 19 of July 1998, Julie and I started New Life Baptist Church. We will be celebrating our 20th anniversary this month. Many of our friends and supporters will be coming to Honduras. We will be extending special invitations to many parents from our bilingual school. We will also be doing a huge evangelistic track distribution before our Sunday anniversary service. There will be lots of preaching, food and a small gift to everyone that comes to God's House. We covet your prayers.

Pray for the following requests :

- Buses to run well.
- A group of 16 arriving from the States.
- Good weather
- Electricity will work all week
- Joseph and Celina Hodges (PCC students) as they travel back to Honduras this Sat. 12 of May.
- Safety for our young boys as they travel to an excursion this Sat.
- Mother & Daughter Banquet this Sat. at 3:30

Thank you so much for your prayers.
