Dear Supporters,

After a flood of new students entering our English school in January, we have decided to embark on another construction program. Many of our classrooms were built for 12-15 students, but not for 25. We are converting a concrete court into a 3 story building. Since the Bible college is also growing, the bottom floor will be a ladies dormitory equipped for 36 people. This will be very useful when we have camps and conferences as well. The second level will provide us with 3 large classrooms for our school and church to use. The third level will be an open air eating venue for the school children. Please pray for more American teachers for the next year.

Pray with us as we are building this three story building

Ordination service for Adan Pineda

New Life Baptist Church is growing. One of the bus routes is running over 100 in attendance. The newest bus route had a record day of 75 recently. Many visitors are coming on Sunday's and we recently had 48 fathers for Father's Day.

One of our Bible college graduates, Adan Pineda, was recently ordained in our church. We are excited about what God is doing through him. Please continue to pray for the ministry here in Sabanagrande, Honduras. We have a lot of things going on and a lot of things yet to do!
