

January, 2021

Dear Supporting Churches,

Count your many blessings, name them one by one. Space isn't sufficient here to name them all for 2020. New Life Baptist Church experienced a total recuperation in attendance after our bus ministry was able to continue.

Meeting in secret was a bit of a challenge, but many have gotten saved and baptisms are off the charts as we are able to now openly have services. The Bible college has remained open and God is blessing with 4 new students confirmed for next semester. The Christian school is the only thing virtual and we did lose some students but it is amazing how good the numbers have remained.

We were able to start 2021 with 155 attending our 4 night 3 day youth camp. We are going to need more men's dormitory space if the camp ministry continues to grow. We have also started 2 new Sunday School classes so classroom space is getting short for Sunday School.

Our 2 girls Celina and Brooklyn were able to be here for Christmas and New Year. We are so grateful for time spent with them. Our son Joseph and Abbi are at 63% support to be able to return to Honduras as missionaries.

How gracious God has been to us in 2020 and how excited we are to be able to serve Him in 2021.

Thank you for your many prayers and financial support along the way.

God bless

For the Cause,

*Sam, Julie, Celina & Brooklyn Hodges*
